Catastrophic Injury Report Form 2

This Form, which should be completed 12 months post-injury or at death, should be completed by the nominated National Union representative with input provided by appropriate medical specialists, consultants, hospital administrator, etc.

All data collected will be recorded anonymously and stored in a secure World Rugby database of catastrophic injuries. This data may be analysed by the IRB for audit, player welfare, and research purposes in relation to the management of rugby-related catastrophic injuries. By checking this box you agree to this.

Incident Reference Number: 

You were given this number when you submitted part 1 of the form. If you don’t have it, you will need to obtain it from World Rugby before you can submit this form.

1. Date the injury occurred

2. Pitch-side and pre-hospital care provided to player:

   - Hard collar
   - Spinal board
   - Vacuum mattress
   - Scoop stretcher
   - Oxygen
   - Other (please specify)

      ____________________________________________________________
      ____________________________________________________________

8. ASIA classification

   Please provide values for each stage for sensory and motor levels as well as the overall ASIA classification.

   a. On admission

<table>
<thead>
<tr>
<th></th>
<th>A</th>
<th>B</th>
<th>C</th>
<th>D</th>
<th>E</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sensory</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Motor</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Definitions of the ASIA, GCS and GOS scales can be found in the general guidelines.
Catastrophic Injury Report Form 2

b. Pre-first procedure

<table>
<thead>
<tr>
<th></th>
<th>A</th>
<th>B</th>
<th>C</th>
<th>D</th>
<th>E</th>
</tr>

Definitions of the ASIA, GCS and GOS scales can be found in the general guidelines.
9. Traumatic brain injury

a. Was the injury a traumatic brain, head or concussion injury?
   □ Yes – go to Question 9(b)       □ No – go to Question 11

b. Nature of injury:

<table>
<thead>
<tr>
<th></th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Open fracture</td>
<td>□</td>
<td>□</td>
</tr>
<tr>
<td>Closed fracture</td>
<td>□</td>
<td>□</td>
</tr>
<tr>
<td>Inter-cranial bleed</td>
<td>□</td>
<td>□</td>
</tr>
</tbody>
</table>

   If yes, specify type: ____________________________

<table>
<thead>
<tr>
<th></th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Post traumatic amnesia</td>
<td>□</td>
<td>□</td>
</tr>
</tbody>
</table>

   If yes, specify time period: _______________________

<table>
<thead>
<tr>
<th></th>

   If yes, specify time period: _______________________

<table>
<thead>
<tr>
<th></th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Loss of consciousness</td>
<td>□</td>
<td>□</td>
</tr>
</tbody>
</table>

   If yes, specify time period: _______________________

Definitions of the ASIA, GCS and GOS scales can be found in the general guidelines.
10. GCS/GOS classification

Please provide values for each stage.

a. On admission

Glasgow coma score (1-15)

Glasgow outcome score

Dead
Vegetative state
Severe disability
Moderate disability
Good recovery

b. Pre-first procedure

Glasgow coma score (1-15)

Glasgow outcome score

Dead
Vegetative state
Severe disability
Moderate disability
Good recovery

c. Post last procedure

Glasgow coma score (1-15)
Definitions of the ASIA, GCS and GOS scales can be found in the general guidelines.
11. Fatality

a. Did the injury result in a fatality?
   - □ Yes – go to Question 11(b)  □ No – Go to Question 13

b. Date of death
   (dd/mm/yyyy)

   

c. Cause of death at post mortem?

In the case of sudden cardiac deaths, please differentiate between death resulting from commotio cordis and death from generic and congenital cardiac conditions.

Definitions of the ASIA, GCS and GOS scales can be found in the general guidelines.
12. Cardiac death

a. Was it a cardiac death?
   □ Yes – go to Question 12(b)   □ No – go to Question 13

b. Did the player have a pre-existing heart condition?
   □ Yes   □ No
   If yes, specify condition:
   ___________________________________________________________________
   ___________________________________________________________________
   ___________________________________________________________________
   ___________________________________________________________________
   ___________________________________________________________________

C. Had the player had previous cardiac screening?
   □ Yes - go to Question 12(d)   □ No – go to Question 13

d. Specify whether this included:

<table>
<thead>
<tr>
<th>Test</th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Questionnaire</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Physical examination</td>
<td></td>
<td></td>
</tr>
<tr>
<td>12 lead ECG</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Echocardiagram</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Other (please specify)</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Definitions of the ASIA, GCS and GOS scales can be found in the general guidelines.
13. Do you feel that there is anything that has not been covered by the questions you have answered?
